When asthma attacks
I just want to get rid of the
helpless feeling as fast and
for as long as possible

A black and white photograph of a woman's face. Her eyes are dark and intense. She has a skull-like face paint applied, with visible bones in her mouth and teeth. She is holding a light-colored inhaler in her hand. The background is dark and moody.

There's no known cure
for asthma but this inhaler
makes it much easier to
control my condition
